TREATY UNITED FC

Sponsorship Opportunities

WE ARE TREATY

Football in Limerick has a deep history. From the inception of the club in 1938 to Limerick winning the inaugural League of Ireland Women's Championship in 1973, to countless memories of European football in the 1980s in a packed Market's Field, the game has produced some of the city's most memorable moments.

Treaty United FC launched in 2020, with the Women's team joining the SSE Airtricity League Premier Division in 2020, while the Senior Men joined the SSE Airtricity Men's First Division in 2021. In addition to the Senior Men's and Women's teams, the club now has 7 youth academy teams filled with Irish youth internationals and some of the brightest up-and-coming stars in the country.

“Treaty United FC is the lifeblood of football in Limerick, with a robust team and a pipeline of amazing talent.”

- *Football Association of Ireland (FAI)*

AN EXCITING TAKEOVER

In October 2023, it was announced that Ciara McCormack, a former Irish national team player, and Tricor Pacific Capital, a Canadian based family investment office, partnered in acquiring Treaty United FC.

This partnership was made with the intent of supporting Ciara's vision for the club. The investment Tricor made comes from the belief in the immense potential for the game's growth in the city of Limerick and the Mid West region, and the idea that with strong support on and off the field, Treaty could become a blueprint for football clubs globally, on and off the field.

Tricor Pacific Capital Inc. is a leading Canadian family office based in Vancouver, actively investing its own capital and operating knowledge in a diverse group of companies and investments.
